Characteristics of Entrepreneurs

1. Individually, think of someone who fits the definition of an entrepreneur and jot down some notes about the attributes that you think make them an entrepreneur.

2. Share by going around the table first so each person can comment on the attributes that they think are important.

3. Discuss:
    a. What are some common characteristics of entrepreneurs that make it easy to work with them?

    b. What are some common characteristics of entrepreneurs that make it difficult to work with them?
